

Parker Hannifin Second Quarter 2006 Earnings Report and Webcast set for January 18

January 9, 2006

CLEVELAND, Jan. 9 /PRNewswire-FirstCall/ -- Parker Hannifin Corporation (NYSE: PH) will release second quarter fiscal year 2006 earnings before the market opens on Wednesday, January 18, 2006, followed by its quarterly conference call at 10:00 a.m., Eastern Time. During the call, the company will discuss second quarter financial performance, and respond to questions from institutional investors and security analysts. The conference call will be simultaneously webcast on Parker's investor information website at <http://www.phstock.com>, with an accompanying slide presentation. The call will be archived on the site and available for replay later that day.

With annual sales exceeding \$8 billion, Parker Hannifin is the world's leading diversified manufacturer of motion and control technologies and systems, providing precision-engineered solutions for a wide variety of commercial, mobile, industrial and aerospace markets. The company employs more than 50,000 people in 46 countries around the world. Parker has increased its annual dividends paid to shareholders for 49 consecutive years, among the top five longest-running dividend-increase records in the S&P 500 index. For more information, visit the company's web site at <http://www.parker.com>, or its investor information site at <http://www.phstock.com>.
