The meeting presents a unique opportunity to hear from members of Parker's senior management team discussing the company's capabilities and strategies for sustainable growth through innovation, distribution and targeting growth markets. Presenters at the conference will include Don Washkewicz, Chairman, Chief Executive Officer and President; Jon Marten, Executive Vice President, Finance and Administration and Chief Financial Officer; Craig Maxwell, Vice President - Technology and Innovation; Peter Popoff, Vice President and President - Filtration Group; and Bob Barker, Executive Vice President, Operating Officer and President - Aerospace Group.

With annual sales exceeding \$12 billion in fiscal year 2011, Parker Hannifin is the world's leading diversified manufacturer of motion and control technologies and systems, providing precision-engineered solutions for a wide variety of mobile, industrial and aerospace markets. The company employs approximately 58,000 people in 47 countries around the world. Parker has increased its annual dividends paid to shareholders for 55 consecutive fiscal years, among the top five longest-running dividend-increase records in the S&P 500 index.
