Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On October 22, 2021, in connection with its previously announced proposed acquisition of Meggitt PLC (the “Acquisition”), Parker-Hannifin Corporation (the “Company”) increased its outstanding commercial paper obligations in an aggregate amount of \$2,126 million under its previously established commercial paper program. The net proceeds of the commercial paper and cash on hand were deposited in an escrow account designated for the purpose of the Acquisition, which decreased the funds available under the bridge loan credit agreement, dated August 2, 2021, among the Company, Citibank, N.A., as administrative agent, and certain financial institutions parties thereto, to £3,200 million. As of October 22, 2021, the Company’s aggregate outstanding commercial paper had an average weighted interest rate of 0.33% and had a weighted average maturity of 63 days. The Company’s commercial paper is issued in \$250,000 minimum denominations at par less a discount representing an interest factor or, if interest bearing, at par, with interest established based upon market conditions and credit ratings in effect at the time of issuance. The commercial paper is not subject to voluntary prepayment or redemption prior to maturity. The commercial paper ranks equally with all of the Company’s other unsecured and unsubordinated indebtedness. The Company’s commercial paper is subject to certain event of default provisions, including those related to non-payment of principal or interest when due and certain events of bankruptcy or insolvency.

The commercial paper will not be, and has not been, registered under the Securities Act of 1933 (the “Securities Act”) or any state securities laws and may not be offered, reoffered or sold in the United States, or elsewhere, absent registration or applicable exemption from the registration requirements of the Securities Act and applicable state securities laws. This Current Report on Form 8-K does not constitute an offer to sell or the solicitation of an offer to buy any securities nor shall there be any sale of the commercial paper in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction or an exemption.
