## PARKER-HANNIFIN CORPORATION

Parker is a leading worldwide full-line manufacturer of motion control products, including fluid power systems, electromechanical controls and related components. Fluid power involves the transfer and control of power through the medium of liquid, gas or air, in hydraulic, pneumatic and vacuum applications. Fluid power systems move and position materials, control machines, vehicles and equipment and improve industrial efficiency and productivity. Components of a simple fluid power system include a pump or compressor which generates pressure, valves which control the fluid's flow, an actuator which translates the pressure in the fluid into mechanical energy, a filter to insure proper fluid condition and numerous hoses, couplings, fittings and seals. Electromechanical control involves the use of electronic components and systems to control motion and precisely locate or vary speed in automation applications. In addition to motion control products, we also are a leading worldwide producer of fluid purification, fluid flow, process instrumentation, air conditioning, refrigeration, and electromagnetic shielding and thermal management products and we design and manufacture custom-engineered buildings. Also, through Wynn Oil Company and its subsidiaries, we develop, manufacture and market specialty chemical products and automotive service equipment and market vehicle service contracts and product warranty programs.

Our manufacturing, service, distribution and administrative facilities are located in 38 states, Puerto Rico and worldwide in 44 foreign countries. Our motion control technology is used in products of our two principal business segments, Industrial and Aerospace, and also in our third segment, Other. The products are sold as original and replacement equipment through product and distribution centers worldwide. We market our products through our direct-sales employees, independent distributors, sale representatives and builder/dealers. Our products are supplied to over 425,000 customers in virtually every significant manufacturing, transportation and processing industry.

Parker was incorporated in Ohio in 1938. Its principal executive offices are located at 6035 Parkland Boulevard, Cleveland, Ohio 44124-4141, telephone (216) 896-3000.

## RISK FACTORS

Any further downturn in the general economy could adversely affect our earnings and results of operations further.

Our ability to be profitable depends in part on the varying conditions in the markets we serve, including the industrial and aerospace markets. These markets move in response to the overall business environment and demand for our products depends on general economic conditions. As a result, we have

experienced, and in the future we expect to experience, fluctuations in our net sales and net income as general economic conditions have fluctuated. For example, the downturn in the general economy in fiscal 2002 adversely affected our business and results of operations as net sales (without giving effect to acquisitions or the inclusion of businesses previously classified as assets held for sale) decreased 12.4% for the first nine months of fiscal 2002 as compared to the prior year period, and net income decreased 51.3% for the first nine months of fiscal 2002 as compared to the prior year period. Over the past two fiscal years, the downturn in general economic conditions has negatively impacted our sales, which has resulted in an underabsorption of fixed costs and consequently lower operating margins. In addition, as the general economy has worsened, our product mix in certain markets has shifted to lower margin products. Consequently, if there is further degradation in the general economy, or in the industries that we sell our products and services, our business, results of operations and financial condition would be adversely affected.

We may face limitations on our ability to complete acquisitions or successfully integrate acquired businesses.

We expect to continue our strategy of identifying and acquiring businesses with complementary products and services that we believe will enhance our operations and profitability. However, we cannot give any assurance that we will be able to continue to find suitable businesses to purchase or that we will be able to acquire such businesses on acceptable terms.

In addition, we cannot guarantee that we will be able to successfully integrate any business that we purchase into our existing business or that any acquired businesses will be profitable. The successful integration of new businesses depends on our ability to manage these new businesses and cut excess costs. If we are unable to complete the integration of new businesses in a timely manner, our results of operations and financial condition could be adversely affected.

We are subject to risks relating to our foreign operations.

Foreign operations represent a significant portion of our business. For the first nine months of fiscal 2002, approximately 29% of our revenue was derived from customers outside of the United States. We expect revenue from foreign markets to continue to represent a significant portion of our total revenue. In addition, we own or lease operating facilities in over 40 foreign countries. Our foreign operations are subject to risks in addition to the risks of our domestic operations. The risks that relate to our foreign operations include:

- o potential political, economic and social instability in the foreign countries in which we operate;
- o imposition of or increases in currency exchange controls;
- o potential inflation in the applicable foreign economies;
- o imposition of or increases in import duties and other tariffs on our products;
- o imposition of or increases in foreign taxation of our earnings and withholding on payments received by us from our subsidiaries;
- o regulatory changes affecting our international operations; and
- o stringent labor regulations.

If we are unable to successfully manage the risks associated with expanding our global business or to adequately manage operational fluctuations internationally, it could have a material effect on our business, results of operations or financial condition.

Demand for and supply of our products may be adversely affected by numerous factors, some of which we cannot predict or control, which could adversely affect our results of operations.

Numerous factors may affect the demand for and supply of our products, including:

- o changes in the market acceptance of our products;
- o increased competition in the markets we serve;
- o declines in the general level of industrial production; or

- o declines in the availability or increases in the prices of raw materials.

If any of these factors occur, the demand for and supply of our products could suffer, which would adversely affect our results of operations.

We operate in a highly competitive environment.

Our domestic and foreign operations are subject to significant competitive pressures. To compete successfully, our Industrial Segment and Other Segment must excel in terms of product quality and innovation, customer service, manufacturing and distribution capability and competitive price, and our Aerospace Segment must excel on the basis of technological and engineering capability, quality, delivery and service, and price competitiveness. The financial resources of certain of our competitors may put us a competitive disadvantage.

We may be adversely affected by the impact of environmental and safety regulations to which we are subject.

Our operations necessitate the use and handling of hazardous materials and, as a result, we are subject to various federal, state and local laws and regulations designed to protect the environment and to regulate the discharge of materials into the environment. These laws impose penalties, fines and other sanctions for non-compliance and liability for response costs, property damages and personal injury resulting from past and current spills, disposals or other releases of, or the exposure to, hazardous materials. Among other laws, we are subject to the federal "Superfund" law, under which we have been designated as a "potentially responsible party" and may be liable for cleanup costs associated with various waste sites, some of which are on the U.S. Environmental Protection Agency's Superfund priority list. We could incur substantial costs as a result of the noncompliance with or liability for cleanup or other costs or damages under environmental laws, including the Superfund law.

We may be subject to more stringent environmental laws in the future. If more stringent environmental laws are enacted in the future, these laws could have a material adverse effect on our business, results of operations or financial condition.

  - o difficulties in introducing new products and entering new markets; and
  - o uncertainties surrounding the global economy and global market conditions, including any federal government policies to stimulate the economy, interest rate levels and the potential devaluation of currencies.

#### USE OF PROCEEDS

All of the common shares offered by this prospectus are being offered by the selling shareholder. We will not receive any of the proceeds from the sale of the common shares offered by this prospectus.

#### DETERMINATION OF OFFERING PRICE

The common shares are being registered for sale on a continuous basis pursuant to Rule 415 of the Securities Act of 1933 and the selling shareholder may sell the shares from time to time on one or more exchanges or the over-the-counter market in regular brokerage transactions, in transactions directly with market makers or in privately-negotiated transactions at prices and on terms prevailing at the time of any such sale. The price to the public, underwriting discounts and commissions and net proceeds to the selling shareholder from the sale of the shares will depend on the nature and timing of the sales and therefore will not be known until the sales are actually made, if at all.

SELLING SHAREHOLDER

The following table sets forth the information regarding the selling shareholder and the number of Parker common shares it may offer by this prospectus as of May 14, 2002. The information under the column entitled "Number of Shares Beneficially Owned After the Offering" assumes that all shares of common stock offered by this prospectus have been sold. To the best of our knowledge, except for the transactions contemplated by the Asset Purchase Agreement, dated as of May 10, 2002, among Camfil AB, Camfil Farr, Inc. (Delaware), Camfil Farr, Inc. (Canada), Farr Filtration Ltd., Parker-Hannifin plc and Parker, the selling shareholder has had no material relationship with us or any of our affiliates within the past three years.

(1) The number of shares represents the maximum number of shares issuable to the selling shareholder under the Purchase Agreement. The exact number of shares to be issued to the selling shareholder will be based on the closing price of Parker common shares on the last trading day prior to the closing date of the transactions contemplated by the Purchase Agreement.

\* Represents less than one percent of our common stock outstanding.

PLAN OF DISTRIBUTION

We are registering all 294,676 shares on behalf of the selling shareholder. The selling shareholder or its pledgees, donees, transferees or other successors-in-interest selling shares received from the selling shareholder as a gift, partnership distribution or other non-sale-related transfer after the date of this prospectus may sell the shares from time to time. The selling shareholder may also decide not to sell all the shares it is allowed to sell under this prospectus. The selling shareholder will act independently of us in making decisions with respect to the timing, manner and size of each sale. The sales may be made on one or more exchanges or in the over-the-counter market or otherwise, at prices and at terms then prevailing or at prices related to the then current market prices, or in negotiated transactions. The selling shareholder may effect such transactions by selling the shares to or through broker-dealers. The shares may be sold by one or more of, or a combination of, the following:

- o a block trade in which the broker-dealer so engaged will attempt to sell shares as agent but may position and resell a portion of the block as principal to facilitate the transaction,
- o purchases by a broker-dealer as principal and re-sale by such broker-dealer for its account pursuant to this prospectus,
- o an exchange distribution in accordance with the rules of such exchange,
- o ordinary brokerage transactions and transactions in which the broker solicits purchasers, and
- o privately negotiated transactions.

To the extent required, this prospectus may be amended or supplemented from time to time to describe a specific plan of distribution. In effecting sales, broker-dealers engaged by the selling shareholder may arrange for other broker-dealers to participate in the re-sales.

The selling shareholder may enter into hedging transactions with broker-dealers in connection with distributions of shares or otherwise. In such transactions, broker-dealers may engage in short sales of shares in the course of hedging the positions they assume with the selling shareholder. The selling shareholder also may sell shares short and redeliver shares to close out such short positions. The selling shareholder may enter into option or other transactions with broker-dealers which require the delivery of

shares to the broker-dealer. The broker-dealer may then resell or otherwise transfer such shares pursuant to this prospectus. The selling shareholder also may lend or pledge shares to a broker-dealer. The broker-dealer may sell the shares so loaned, or upon a default the broker-dealer may sell the shares so pledged, pursuant to this prospectus.

Broker-dealers or agents may receive compensation in the form of commissions, discounts or concessions from the selling shareholder. Broker-dealers or agents may also receive compensation from the purchasers of shares for whom they act as agents or to whom they sell as principals, or both. Compensation to a particular broker-dealer might be in excess of customary commissions and will be in amounts to be negotiated in connection with transactions involving shares. Broker-dealers or agents and any other participating broker-dealers or the selling shareholder may be deemed to be an "underwriter" within the meaning of Section 2(11) of the Securities Act of 1933 in connection with sales of shares. Accordingly, any such commission, discount or concession received by them and any profit on the re-sale of shares purchased by them may be deemed to be underwriting discounts or commissions under the Securities Act of 1933. Because the selling shareholder may be deemed to be an "underwriter" within the meaning of Section 2(11) of the Securities Act of 1933, the selling shareholder will be subject to the prospectus delivery requirements of the Securities Act of 1933. In addition, any shares covered by this prospectus which qualify for sale pursuant to Rule 144 promulgated under the Securities Act of 1933 may be sold under Rule 144 rather than pursuant to this prospectus. The selling shareholder has advised us that it has not entered into any agreements, understandings or arrangements with any underwriters or broker-dealers regarding the sale of its shares.

The shares may be sold only through registered or licensed brokers or dealers if required under applicable state securities laws. In addition, in certain states the shares may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

Under applicable rules and regulations under the Exchange Act of 1934, any person engaged in the distribution of shares may not simultaneously engage in market making activities with respect to our common shares for a period of two business days prior to the commencement of such distribution. In addition, the selling shareholder will be subject to applicable provisions of the Exchange Act of 1934 and the associated rules and regulations under the Exchange Act of 1934, including Regulation M, which provisions may limit the timing of purchases and sales of shares of our common shares by the selling shareholder. We will make copies of this prospectus available to the selling shareholder and have informed them of the need for delivery of copies of this prospectus to purchasers at or prior to the time of any sale of the shares.

We will file a supplement to this prospectus, if required, pursuant to Rule 424 under the Securities Act of 1933 upon being notified by the selling shareholder that any material arrangement has been entered into with a broker-dealer for the sale of shares through a block trade, special offering, exchange distribution or secondary distribution or a purchase by a broker or dealer. Such supplement will disclose:

- o the name of the selling shareholder and of the participating broker-dealer(s),
- o the number of shares involved,
- o the price at which such shares were sold,
- o the commissions paid or discounts or concessions allowed to such broker-dealer(s), where applicable,
- o that such broker-dealer(s) did not conduct any investigation to verify the information set out or incorporated by reference in this prospectus, and
- o other facts material to the transaction.

We will bear all costs, expenses and fees in connection with the registration of the shares. The selling shareholder will bear all commissions and discounts, if any, attributable to the sales of the shares. The selling shareholder may agree to indemnify any broker-dealer or agent that participates in transactions involving sales of the shares against certain liabilities, including liabilities arising under the Securities Act.

Thomas A. Piraino, Jr., Parker's Vice President, General Counsel and Secretary, will pass upon the validity of our common shares offered hereby.

Item 15. Indemnification of Directors and Officers.

Section VII of our regulations provides that we will indemnify, to the fullest extent permitted or authorized by the Ohio Revised Code, as it may from time to time be amended and including Section 1701.13(E), any person made party or who is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he or she is or was a member of our board of directors or an officer, employee or agent of ours, or is or was serving at our request as a director, trustee, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise. The indemnification provided by our regulations is not exclusive of any other rights to which any person seeking indemnification may be entitled under our articles or our regulations, or any agreement, vote of shareholders or disinterested directors, or otherwise. This extends to both his or her official actions and his or her actions in another capacity while holding a position with us. Further, coverage shall continue as to a person who has ceased to be our director, trustee, officer or employee and shall inure to the benefit of his or her heirs, executors and administrators.

Section 1701.13(E) of the Ohio Revised Code provides as follows:

(E) (1) A corporation may indemnify or agree to indemnify any person who was or is a party, or is threatened to be made a party, to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative, other than an action by or in the right of the corporation, by reason of the fact that he is or was a director, officer, employee, or agent of the corporation, or is or was serving at the request of the corporation as a director, trustee, officer, employee, member, manager, or agent of another corporation, domestic or foreign, nonprofit or for profit, a limited liability company, or a partnership, joint venture, trust, or other enterprise, against expenses, including attorney's fees, judgments, fines, and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit, or proceeding, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, if he had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit, or proceeding by judgment, order, settlement, or conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, he had reasonable cause to believe that his conduct was unlawful.

(2) A corporation may indemnify or agree to indemnify any person who was or is a party, or is threatened to be made a party, to any threatened, pending, or completed action or suit by or in

the right of the corporation to procure a judgment in its favor, by reason of the fact that he is or was a director, officer, employee, or agent of the corporation, or is or was serving at the request of the corporation as a director, trustee, officer, employee, member, manager, or agent of another corporation, domestic or foreign, nonprofit or for profit, a limited liability company, or a partnership, joint venture, trust, or other enterprise, against expenses, including attorney's fees, actually and reasonably incurred by him in connection with the defense or settlement of such action or suit, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification shall be made in respect of any of the following:

(a) Any claim, issue, or matter as to which such person is adjudged to be liable for negligence or misconduct in the performance of his duty to the corporation unless, and only to the extent that, the court of common pleas or the court in which such action or suit was brought determines, upon application, that, despite the adjudication of liability, but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses as the court of common pleas or such other court shall deem proper;

(b) Any action or suit in which the only liability asserted against a director is pursuant to section 1701.95 of the Revised Code.

(3) To the extent that a director, trustee, officer, employee, member, manager, or agent has been successful on the merits or otherwise in defense of any action, suit, or proceeding referred to in division (E) (1) or (2) of this section, or in defense of any claim, issue, or matter therein, he shall be indemnified against expenses, including attorney's fees, actually and reasonably incurred by him in connection with the action, suit, or proceeding.

(4) Any indemnification under division (E) (1) or (2) of this section, unless ordered by a court, shall be made by the corporation only as authorized in the specific case, upon a determination that indemnification of the director, trustee, officer, employee, member, manager, or agent is proper in the circumstances because he has met the applicable standard of conduct set forth in division (E) (1) or (2) of this section. Such determination shall be made as follows:

(a) By a majority vote of a quorum consisting of directors of the indemnifying corporation who were not and are not parties to or threatened with the action, suit, or proceeding referred to in division (E) (1) or (2) of this section;

(b) If the quorum described in division (E) (4) (a) of this section is not obtainable or if a majority vote of a quorum of disinterested directors so directs, in a written opinion by independent legal counsel other than an attorney, or a firm having associated with it an attorney, who has been retained by or who has performed services for the corporation or any person to be indemnified within the past five years;

(c) By the shareholders;

(d) By the court of common pleas or the court in which the action, suit, or proceeding referred to in division (E) (1) or (2) of this section was brought.

Any determination made by the disinterested directors under division (E) (4) (a) or by independent legal counsel under division (E) (4) (b) of this section shall be promptly communicated to the person who threatened or brought the action or suit by or in the right of the corporation under division (E) (2) of this section, and, within ten days after receipt of such notification, such person shall have the right to petition the court of common pleas or the court in which such action or suit was brought to review the reasonableness of such determination.

(5) (a) Unless at the time of a director's act or omission that is the subject of an action, suit, or proceeding referred to in division (E) (1) or (2) of this section, the articles or the regulations of a corporation state, by specific reference to this division, that the provisions of this division do not apply to the corporation and unless the only liability asserted against a director in an action, suit, or

proceeding referred to in division (E) (1) or (2) of this section is pursuant to section 1701.95 of the Revised Code, expenses, including attorney's fees, incurred by a director in defending the action, suit, or proceeding shall be paid by the corporation as they are incurred, in advance of the final disposition of the action, suit, or proceeding, upon receipt of an undertaking by or on behalf of the director in which he agrees to do both of the following:

(i) Repay such amount if it is proved by clear and convincing evidence in a court of competent jurisdiction that his action or failure to act involved an act or omission undertaken with deliberate intent to cause injury to the corporation or undertaken with reckless disregard for the best interests of the corporation;

(ii) Reasonably cooperate with the corporation concerning the action, suit, or proceeding.

(b) Expenses, including attorney's fees, incurred by a director, trustee, officer, employee, member, manager, or agent in defending any action, suit, or proceeding referred to in division (E) (1) or (2) of this section, may be paid by the corporation as they are incurred, in advance of the final disposition of the action, suit, or proceeding, as authorized by the directors in the specific case, upon receipt of an undertaking by or on behalf of the director, trustee, officer, employee, member, manager, or agent to repay such amount, if it ultimately is determined that he is not entitled to be indemnified by the corporation.

(6) The indemnification authorized by this section shall not be exclusive of, and shall be in addition to, any other rights granted to those seeking indemnification under the articles, the regulations, any agreement, a vote of shareholders or disinterested directors, or otherwise, both as to action in their official capacities and as to action in another capacity while holding their offices or positions, and shall continue as to a person who has ceased to be a director, trustee, officer, employee, member, manager, or agent and shall inure to the benefit of the heirs, executors, and administrators of such a person.

(7) A corporation may purchase and maintain insurance or furnish similar protection, including, but not limited to, trust funds, letters of credit, or self-insurance, on behalf of or for any person who is or was a director, officer, employee, or agent of the corporation, or is or was serving at the request of the corporation as a director, trustee, officer, employee, member, manager, or agent of another corporation, domestic or foreign, nonprofit or for profit, a limited liability company, or a partnership, joint venture, trust, or other enterprise, against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the corporation would have the power to indemnify him against such liability under this section. Insurance may be purchased from or maintained with a person in which the corporation has a financial interest.

(8) The authority of a corporation to indemnify persons pursuant to division (E) (1) or (2) of this section does not limit the payment of expenses as they are incurred, indemnification, insurance, or other protection that may be provided pursuant to divisions (E) (5), (6), and (7) of this section. Divisions (E) (1) and (2) of this section do not create any obligation to repay or return payments made by the corporation pursuant to division (E) (5), (6), or (7).

(9) As used in division (E) of this section, "corporation" includes all constituent entities in a consolidation or merger and the new or surviving corporation, so that any person who is or was a director, officer, employee, trustee, member, manager, or agent of such a constituent entity, or is or was serving at the request of such constituent entity as a director, trustee, officer, employee, member,

manager, or agent of another corporation, domestic or foreign, nonprofit or for profit, a limited liability company, or a partnership, joint venture, trust, or other enterprise, shall stand in the same position under this section with respect to the new or surviving corporation as he would if he had served the new or surviving corporation in the same capacity.

We carry directors' and officers' liability insurance that covers certain liabilities and expenses of our directors and officers.

Item 17. Undertakings.

The undersigned registrant hereby undertakes:

1. To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

II-4

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that the undertakings set forth in paragraphs (1)(i) and (1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this Registration Statement.

2. That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

4. That, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by

reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

5. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Re: Parker-Hannifin Corporation  
Registration Statement on Form S-3  
-----

Ladies and Gentlemen:

I am acting as counsel to Parker-Hannifin Corporation, an Ohio corporation ("Parker"), in connection with the Registration Statement on Form S-3 filed by Parker with the Securities and Exchange Commission (the "Registration Statement") with respect to up to 294,676 shares of common stock, par value \$.50 per share (the "Parker Shares"), of Parker, and the preferred share purchase rights that attach to and trade with each Parker Share, that are proposed to be issued in connection with the acquisition of assets of Camfil Farr, Inc. (Delaware), Camfil Farr, Inc. (Canada) and Farr Filtration Ltd. (collectively, the "Sellers") pursuant to the Asset Purchase Agreement, dated May 10, 2002, among Parker, Parker-Hannifin plc, Camfil AB and the Sellers (the "Purchase Agreement").

In connection with this opinion, I have reviewed the Registration Statement and the exhibits thereto, and I have examined originals or copies, certified or otherwise identified to my satisfaction, of such corporate records, agreements, certificates of public officials and of officers of Parker, and other instruments in addition to such matters of law and fact as I have deemed necessary to render the opinion contained herein.

Based upon the foregoing and subject to the assumptions, qualifications and limitations stated herein, I am of the opinion that:

1. The Parker Shares being registered under the Registration Statement, when issued pursuant to the Purchase Agreement, will be validly issued, fully paid and non-assessable.

2. Assuming that the Rights (as defined in the Rights Agreement (the "Rights Agreement"), dated January 31, 1997, between Parker and KeyBank National Association, as amended by the First Addendum to Shareholder Protection Rights Agreement, dated April 21, 1997, between Parker and Wachovia Bank of North Carolina N.A., as successor to KeyBank, and the Second Addendum to Shareholder Protection Rights Agreement, dated June 15, 1999, between Parker and National City Bank as successor to Wachovia) have been issued in accordance with the terms of the Rights Agreement, the Rights being registered under the Registration Statement have been validly issued.

My examination of matters of law in connection with the opinions expressed herein has been limited to, and accordingly my opinions herein are limited to, the General Corporation Law of the State of Ohio. I express no opinion with respect to any other law of the State of Ohio or any other jurisdiction.

The opinion set forth in paragraph 2 is limited to the valid issuance of the Rights under the corporation laws of the State of Ohio. I do not express any opinion herein with respect to any other aspect of the Rights, the effect of equitable principles or fiduciary considerations relating to the adoption of the Rights Agreement or the issuance of the Rights or the enforceability of any particular provisions of the Rights Agreement. In rendering the opinion set forth in paragraph 2, I have assumed that the Board of Directors of the Company has acted and will act in accordance with its fiduciary duties with respect to the authorization of the issuance of the Rights and the execution of the Rights Agreement.

In rendering the opinion set forth in paragraph 2, moreover, I note that my research indicates that there are no reported decisions applying Ohio law concerning the authorization or issuance of securities substantially similar to the Rights. In the absence of directly applicable judicial authority, I have considered the pertinent provisions of Ohio corporation law and the decisions of courts applying the laws of other jurisdictions to analogous factual situations. Although such decisions may be persuasive to Ohio courts, they have no binding precedential effect.

I hereby consent to the filing of this opinion with the Securities and Exchange Commission as Exhibit 5 to the Registration Statement and to the

reference to me under the caption "LEGAL MATTERS" in the Prospectus contained therein.

Very truly yours,

/s/ Thomas A. Piraino, Jr.
