This Plan is sponsored and administered solely by EQ Shareowner Services. Please review the Terms and Conditions and Investment Summary and Fees for specific Plan features and costs to participants before enrolling.

Frequently Asked Questions

1. How do I enroll in the Plan?

If your shares are currently registered in your name with Parker, not held by your broker or bank in their name, you can enroll through **shareowneronline.com** or by submitting an *Account Authorization Form* by mail (see **Contact Information**).

If you are an employee of Parker:

All full-time and part-time employees are eligible to participate in the Plan through automated payroll deductions. You can enroll by contacting your Human Resources Department.

2. Can I reinvest my dividends?

You can reinvest all of your Parker cash dividends. When you enroll in the Plan, you may select the option to automatically reinvest your dividend. If you do not select an option, the Plan Administrator will default your choice to full reinvestment. You may change your election at any time either online, by telephone or by sending a new *Authorization Form* by mail (see **Contact Information**). Changes received after the record date of a dividend will be effective for the following dividend.

The Plan Administrator will apply all of your dividends (less any applicable fee), to purchase additional whole and fractional shares (see **Investment Summary and Fees**, Investment fees).

Dividends are invested as soon as administratively possible on or following the dividend payable date, generally within five (5) trading days. Depending on the number of shares being purchased and the current trading volume, a purchase may be executed in multiple transactions that may occur on more than one day. Should this occur, the price will be the average of all trades executed.

3. How can I purchase additional shares?

You can make additional cash investments in the Parker Plan at any time either by check or by authorizing one-time or recurring automatic bank withdrawals from a U.S. or Canadian financial institution. The dollars you invest (less any applicable fees) will go towards purchasing whole and fractional shares (see **Investment Summary and Fees**, Minimum and Maximum Cash Investments).

Check – To make an investment by check, complete and return a *Transaction Request Form* (attached to your account statement) together with your payment. The check must be made payable to “Shareowner Services” in U.S. dollars.

One-time automatic withdrawal – You can make a one-time automatic withdrawal from a designated checking or savings account at a qualified financial institution by signing on to **shareowneronline.com**.

Recurring automatic withdrawals – You can make regular investments with automatic monthly withdrawals from a designated checking or savings account at a qualified financial institution. You can authorize automatic monthly investments by signing on to **shareowneronline.com**.

Payroll deductions – Parker employees can make automatic payroll deductions by contacting their Human Resources Department. Investments with payroll deductions will be made on a monthly basis.

4. When will the shares be purchased and at what price?

Shares are purchased monthly in the open market through a broker chosen by the Plan Administrator (“broker”). Your purchase price will be the weighted average purchase price per share for all shares purchased through the Plan for that investment date.

5. How do I keep track of my investments?

Following each cash purchase or other transaction involving your Plan account, you will be provided with a detailed statement. You may elect to have your statements and other information sent to you automatically by initiating eDelivery through **shareowneronline.com**.

These statements contain information to record the cost basis of your shares for tax reporting purposes. It is important that you keep the statements to fulfill any tax obligations. The Plan Administrator will capture and track the cost basis for covered securities as defined in the Federal tax regulations. If your statement becomes lost, a written request stating the information required may be sent to the Plan Administrator at the address contained in this brochure. A fee may be charged for retrieval of past account information (see **Investment Summary and Fees** for additional information).

6. Can I deposit my certificated shares?

Yes, you can deposit Parker stock certificates registered in your name at any time. The Plan Administrator will provide safekeeping of your shares at no cost to you, including when you first enroll. To use this service, you must send your certificates to the Plan Administrator with a properly completed *Transaction Request Form* attached to your statement (see **Contact Information**).

Certificated shares that you deposit with the Plan Administrator are credited to your Plan account and thereafter are treated as if they were acquired under the Plan. You are responsible for maintaining your own records of the cost basis of certificated shares deposited with the Plan Administrator. By using the share safekeeping feature, you no longer bear the risks associated with loss, theft or destruction of stock certificates.

Instructions for mailing certificates:

Regardless of the mailing method used, you bear the full risk of loss if the certificates are lost or stolen. Please do not endorse your certificates prior to mailing.

Optional Mail Loss Insurance

Please be advised that choosing registered, express or certified mail alone will not provide full protection, should the certificates become lost or stolen. Mail loss insurance provides the coverage needed to replace and reissue the shares should they become lost or stolen through the mail.

As the Plan Administrator, we can provide low-cost loss insurance for certificates being returned for deposit to your account. Replacement transaction fees may also apply. To take advantage of the optional mail loss insurance see **Terms and Conditions** for Certificate Deposit and Withdrawal.

7. How can I sell my shares?

You can sell your Plan shares at any time by submitting a request to sell either online, by telephone or through the mail (see **Contact Information**). A check will be issued for your sale proceeds, unless you elect to receive the funds by direct deposit into your bank account.

You may instruct the Plan Administrator to sell shares under the Plan through a Batch Order, Market Order, Day Limit Order, Good-'Til Date/Canceled Limit Order, or Stop Order.

Batch Order (online, telephone, mail) – Requests to sell shares are aggregated and the total of all shares are sold on the open market. Batch Order sale requests will be completed by the Plan Administrator no later than five business days. The price per share sold will not be known until the sales are completed and will always be the weighted-average price for all shares sold for the Plan on the trade date.

Market Order (online or telephone) – During market hours, sale requests will be promptly submitted by the Plan Administrator to a broker. The sale will be at the prevailing market price when the trade is executed. Once entered, a

Market Order request cannot be canceled. Sale requests submitted near the close of the market may be executed on the next trading day, along with other requests received after market close.

Day Limit Order (online or telephone) – Sale requests for a Day Limit Order will be promptly submitted by the Plan Administrator to a broker. The sale will be executed when and if the stock reaches, or exceeds the specified price on the day the order was placed. The request will be automatically canceled if the price is not met by the end of the trading day.

Good-'Til -Date/Canceled (GTD/GTC) Limit Order (online or telephone) – Requests to sell shares with a GTD and GTC Limit Order will be promptly submitted by the Plan Administrator to a broker. The sale will be executed when and if the stock reaches, or exceeds the specified price at any time while the order remains open (up to the date requested or 90 days for GTC). The request is automatically canceled if the price is not met by the end of the order period.

Stop Order (online or telephone) – Requests to sell shares will be promptly submitted by the Plan Administrator to a broker for a Stop Order. The sale will be executed when the stock reaches a specified price, at which time the order becomes a Market Order and the sale will be at the prevailing market price when the trade is executed. The price specified in the order must be below the current market price (generally used to limit a market loss).

For complete information about sale requests, see **Terms and Conditions** for Sale of Shares. Please note that the share price may fluctuate between the time your sale request is received and the time the sale is completed on the open market. Requests received by mail will be processed as a Batch Order.

If you wish to sell any shares currently held in certificate form, you may send them in for deposit to your Plan account and then proceed with the sale.

The Insider Trading Policy provides that the participant may not trade in Parker's common stock if in possession of material, non-public information about the company. Share sales by employees, affiliates and Section 16 officers must be made in compliance with Parker's Insider Trading Policy.

8. Can I transfer or gift my shares?

You can transfer ownership, gift your shares or request a name change in your Parker Plan account by completing and submitting a *Stock Power Form*. This form, along with instructions can be accessed

and printed through **shareowneronline.com**. Please note that you must obtain a Medallion Signature Guarantee for any transfer of shares (see **Terms and Conditions**, Transfer and Gift of Shares).

If you need additional assistance regarding the transfer of your shares, please contact the Plan Administrator (see **Contact Information**).

9. May I request shares in a stock certificate?

Yes, you may request the Plan Administrator to issue your Parker shares in the form of a stock certificate. To request a certificate for some or all of the shares (whole shares only), please contact us by telephone toll-free at 1-800-468-9716. Please note fractional shares may not be issued in certificate form. Requests for certificates may also be submitted in writing (see **Contact Information**).

10. How can I terminate my participation in the Plan?

You can terminate your participation in the Plan at any time by contacting the Plan Administrator. You can submit your request for termination either online, by telephone or through the mail (see **Contact Information**). For your convenience, a *Transaction Request Form* is attached to your statement. Complete the form by filling in the required fields and indicating your intention to terminate your participation in the Plan. Following termination, all future dividends will be paid to you in cash.

Retain shares – If you elect to keep your shares, the whole shares held in your Plan balance will be moved to book-entry Direct Registration Shares (“DRS”). Any fractional shares will be sold at the market price, and you will receive a check (less any fees) for the proceeds.

Sell shares – If you choose to sell all of your shares, your sale proceeds, less applicable taxes and transaction fees, will be remitted to you via check. Or you can choose to have them directly deposited into your bank account.

If you terminate your participation in the Plan but do not indicate your preference to retain or sell your shares, the Plan shares will be moved to book-entry DRS form until we receive further instructions.

11. How do I vote the shares held in the Plan at shareholder meetings?

You have the right to vote all Parker shares held in your Plan account. You will be sent the proxy material and are encouraged to read the information carefully. You may vote either online, by telephone or by returning the signed, dated proxy card. Your shares will be voted in accordance with your most recent instructions.

12. What happens if the Company issues a stock dividend or declares a stock split?

Any Parker shares held in the Plan are eligible to receive stock distributions for any stock dividends or stock split that Parker declares. The shares distributed (whole and fractional) will be allocated directly to your Plan account.

Please note: If you send the Plan Administrator a notice of termination or a request to sell shares between the record date and the payable date for a stock distribution, your request will not be processed until the stock distribution is credited to your account.

13. What will be reported on income taxes?

Any dividends that are reinvested for you are subject to income taxes as if they had been paid directly to you in cash. Any service fees and brokerage commissions paid by Parker on your behalf may be reported as dividend income based on the directive of the company. The Plan Administrator will report to you and the Internal Revenue Service (“IRS”), any dividends paid on Form 1099-DIV at year end. For non-U.S. participants receiving U.S. sourced dividends, they will be reported on Form 1042-S (see **Terms and Conditions**, Tax Consequences).

If you have sold any of your Plan shares, the proceeds received from the sale of shares, rights or other securities will be reported on Form 1099-B.

Terms and Conditions

Terms and Conditions of Authorization
for *Shareowner Services Plus Plan*SM
Dividend Reinvestment Plan

Equiniti Trust Company, d/b/a EQ Shareowner Services (the “Plan Administrator”), offers investors a simple and convenient method of investing in Parker-Hannifin Corporation (“Parker”) common stock. The Plan Administrator will apply all of the participants’ designated dividends, along with the optional cash investments, to purchase whole and fractional shares acquired under the Dividend Reinvestment Plan (the “Plan”). Such purchases may be made on any securities exchange where such shares are traded, in the over-the-counter market or in negotiated transactions, and may be on such terms as to price, delivery and otherwise as the Plan Administrator may determine.

Enrollment in the Plan is voluntary and may not be available to investors in certain countries. Persons residing outside of the United States should determine whether they are subject to any governmental regulation prohibiting their participation.

Purchases and Timing

Recurring or one-time optional cash investment will be invested monthly, and no later than 35 trading days, except where postponement is necessary to comply with Regulation M under the Securities Exchange Act of 1934 or other applicable provisions of securities law. In making purchases for the participant’s account, the Plan Administrator may commingle the participant’s funds with those of other participants of the Plan. Purchases may be subject to certain fees and conditions (see **Investment Summary and Fees**).

Checks – To make an investment by mail, payments must be in U.S. dollars and drawn on a U.S. or Canadian financial institution. Cash, money orders, traveler’s checks or third party checks are not accepted.

Automatic investments – A participant may setup a one-time or monthly automatic withdrawal from a designated bank account. The request may be submitted online, by telephone or by sending an *Account Authorization Form* by mail (see **Contact Information**). Requests are processed and become effective as promptly as administratively possible. Once the automatic withdrawal is initiated, funds will be debited from the participant’s designated bank account on or about the 20th of each month and will be invested in Parker common stock on the next investment date. Changes or a discontinuation of automatic withdrawals can be made online, by telephone or by using the *Transaction Request*

Form attached to the participant's statement. To be effective with respect to a particular investment date, a change request must be received by the Plan Administrator at least 15 trading days prior to the investment date.

Employee payroll deductions – If the participant is an employee of Parker, election for automatic payroll deduction can be made by submitting a request to their Human Resources Department. The amount selected will be withdrawn for each payroll cycle. Parker will forward the funds to the Plan Administrator on a regular basis. Purchases with payroll deductions will be made on the monthly purchase date.

Dividend Reinvestment – The Plan Administrator will invest Parker dividend funds as soon as administratively possible, and no later than 30 trading days, following the dividend payable date.

Participants' funds held by the Plan Administrator will not earn interest. A refund request for an optional cash investment made by check must be received in writing by the Plan Administrator not less than two (2) trading days before such amount is to be invested. Employees who wish to request a refund should contact their Human Resources Department.

In the case of each purchase, the price at which the Plan Administrator shall be deemed to have acquired Parker common stock for the participant's account shall be the weighted average price of all shares purchased plus any per share fees. Depending on the number of shares being purchased and current trading volumes in the shares, purchases may be executed in multiple transactions that may occur on more than one day. The broker will receive a commission on these purchases. The Plan Administrator will hold the common stock for the benefit of all participants together in its name or in the name of the nominee.

The Plan Administrator shall have no liability in connection with any inability to purchase common stock, the timing of any purchases or the value of Parker common stock acquired for the participant's account.

If any optional cash investment, including payment by check or automatic withdrawal, is returned for any reason, the Plan Administrator will remove from the participant's account any common stock purchased with such funds, and will sell these shares. The Plan Administrator may also sell additional common stock in the account to recover a returned funds fee for each optional cash investment returned unpaid for any reason and may sell additional shares as necessary to cover any market loss incurred by the Plan Administrator.

During the period that an optional cash investment is pending, the collected funds in the possession of the Plan Administrator may be invested in certain Permitted Investments. For purposes of this Plan, “Permitted Investments” shall mean any money market mutual funds registered under the Investment Company Act (including those of an affiliate of the Plan Administrator or for which the Plan Administrator or any of its affiliates provides management advisory or other services) consisting entirely of (i) direct obligations of the United States of America; or (ii) obligations fully guaranteed by the United States of America. The risk of any loss from such Permitted Investments shall be the responsibility of the Plan Administrator. Investment income from such Permitted Investments shall be retained by the Plan Administrator.

Purchases by employees, including optional cash, must be made in compliance with Parker’s Insider Trading Policy. In addition to other limitations, the Insider Trading Policy provides that the participant may not trade in Parker’s common stock if in possession of material, non-public information about Parker.

Dividend Reinvestment Option

A participant can elect to reinvest all of the dividends payable (if any) to purchase additional shares of Parker common stock. The following describes the available option:

Full dividend reinvestment – All cash dividends payable on shares held in the Plan, along with any shares held in physical certificate form or through book-entry Direct Registration Shares (“DRS”), will be used to purchase additional shares. The participant will not receive cash dividends from Parker; instead, all dividends will be reinvested. Whole and fractional shares will be allocated to the Plan account. *(RD)*

Certificate Deposit and Withdrawal

A participant may elect to deposit physical Parker common stock certificate(s) for safekeeping, by sending the certificate(s) to the Plan Administrator together with instructions to deposit the certificate(s). The certificate(s) will show as surrendered with the corresponding credit to Plan shares. The transaction will appear on the Plan account statement, and shares will be held by the Plan Administrator in its name or nominee name. These shares will be held until the participant sells, withdraws or terminates participation in the Plan. Because the participant bears the risk of loss in sending stock certificate(s), it is recommended that the participant sends them registered, insured for at least 3% of the current market value and request a return receipt.

Optional Mail Loss Insurance

The participant is advised that choosing registered, express or certified mail alone will not provide full protection, should the certificates become lost or stolen. Mail loss insurance provides the coverage needed to replace and reissue the shares should they become lost or stolen through the mail. As the Plan Administrator, we can provide low-cost loss insurance for certificates being returned for conversion to book-entry form. Replacement transaction fees may also apply.

To take advantage of the optional mail loss insurance, simply include a check in the amount of \$10.00, made payable to 'EQ Surety Program', along with the certificates and instructions. Choose an accountable mail delivery service such as Federal Express, United Parcel Service, DHL, Express Mail, Purolator, TNT, or United States Postal Service Registered Mail. Any one shipping package may not contain certificates exceeding a total value of \$100,000. The value of certificate shares is based on the closing market price of the common stock on the trading day prior to the documented mail date.

Claims related to lost certificates under this service must be made within 60 days of the documented delivery service mail date. A copy of the certificate(s) mailed, along with proof that it was sent by trackable mail should be submitted with the claim. This is specific coverage for the purpose of converting shares to book-entry form and the surety is not intended to cover certificates being tendered for certificate breakdown or exchange for other certificates.

Certificate(s) will be issued to a participant for Parker common stock in the participant's account upon written request to the Plan Administrator. No certificate for a fractional share will be issued.

Transfer and Gift of Shares

To authorize a transfer or gift of Parker shares, a participant must submit a *Stock Power Form* with instructions to transfer ownership of shares, to the Plan Administrator. The Form can be found on our website at **shareowneronline.com**. For additional assistance regarding the transfer of Plan shares, contact the Plan Administrator (see **Contact Information**). The Form will require a "Medallion Signature Guarantee" by a financial institution. A Medallion Signature Guarantee is a special guarantee for securities and may be obtained through a financial institution such as a broker, bank, savings and loan association, or credit union who participates in the Medallion Signature Guarantee program. The guarantee ensures that the individual requesting the transfer of securities is the owner of those securities. Most banks and brokers participate in the Medallion Signature Guarantee program.

If a participant's request to transfer all Plan shares in an account is received between a dividend record date and payable date, the request will be processed. However, on the payable date, any additional shares from a dividend reinvestment will be added to the account and the participant will need to submit a written request if they wish to transfer the additional shares.

A participant can also gift shares by submitting an optional cash investment on behalf of an existing Plan participant (see **Investment Summary and Fees** for Minimum and Maximum Cash Investment amounts). If a participant's investments or transfers are made to an existing account, dividends on the shares credited to such investments or transfers will be invested in accordance with the elections made by the existing account owner.

Tax Consequences

The reinvestment of dividends does not relieve the participant of any income tax that may be payable on such dividends. Any service fees and brokerage commissions paid by Parker on your behalf may be reported as dividend income based on the directive of the company. The Plan Administrator will report to all participants and the Internal Revenue Service ("IRS") the amount of dividends credited to their accounts on Form 1099-DIV. For non-U.S. participants receiving U.S. sourced dividends, they will be reported on Form 1042-S.

If a participant sells shares through the Plan Administrator, a Form 1099-B reporting the proceeds from the sale will be sent to the participant and the IRS.

Tax withholding will be applicable on accounts without a valid Form W-9 for U.S. citizens or Form W-8BEN for non-U.S. citizens. A participant can avoid this tax by furnishing the appropriate and valid form prior to the sale. Forms are available at **shareowneronline.com**.

A foreign person (nonresident alien individual or foreign entity) is subject to tax withholding at a 30% rate on the gross amount of certain payments of U.S. source income including dividends, unless the beneficial owner of the payment is entitled to a reduced rate of, or exemption from, withholding tax under an income tax treaty. Foreign Entity owned accounts may also be subject to 30% withholding on all applicable U.S. sourced income, including dividends, as required by the Foreign Account Tax Compliance Act ("FATCA"). Gross proceeds received from the sale, maturity or exchange of securities that can produce U.S. sourced dividends or interest will also be subject to potential FATCA withholding effective on January 1, 2019. Foreign persons should consult with their tax advisors or counsel as to which tax certification form they are required to provide and for more specific information regarding the withholding requirements under

Chapters 3 and 4 (FATCA) of the U.S. Internal Revenue Code.

Account statements, which contain a detailed record of a participant's purchases and sales, should be retained for tax purposes to assist with determining cost basis.

The participant should consult a personal tax advisor concerning proper tax treatment of these amounts as interpretations may differ, and laws, regulations and rulings may change over time.

Compliance with Emergency Economic Stabilization Act of 2008:

The Plan qualifies as a Dividend Reinvestment Plans (DRP) under the meaning of Treasury Regulation 1.1012-1(e)(6)(i), which enables participants to use the 'average basis method' when determining the tax basis of any shares sold. As a result, in order to participate in the Plan, a participant must elect to reinvest a minimum of 10% of the dividends (if any) paid on shares held in the Plan.

This Plan assumes that each participant will use the first-in, first-out (FIFO) method when determining the tax basis of any shares sold. Participants may designate their preference for a different method of determining the tax basis of shares by identifying this preference in writing to the Plan Administrator. Participants may designate their preference for specific identification cost basis at any time or may designate their preference for the average basis method effective for sales occurring after the election. Federal tax regulations require the FIFO tax lot selection method after the average cost basis election has been made.

If a participant chooses to receive a dividend in cash, or reinvest less than 10% of a dividend, the participant is not eligible to utilize the average basis method for sale of shares through this Plan.

Voting Rights

Participants in the Plan will receive voting materials and have the sole right to vote the common stock of Parker represented by the shares held for them in the Plan. In the event the participant does not provide direction for voting, the Plan shares will not be voted.

The participant is encouraged to read the information carefully. Votes may be submitted either online, by telephone or by returning the signed, dated proxy card. A participant's shares will be voted in accordance with the most recent submitted instructions.

Sale of Shares

Sales are usually made through a broker, who will receive brokerage commissions. Typically, the shares are sold through the exchange on which the common

shares of Parker are traded. Depending on the number of Parker shares to be sold and current trading volume, sale transactions may be completed in multiple transactions and over the course of more than one day. All sales are subject to market conditions, system availability, restrictions and other factors. The actual sale date, time or price received for any shares sold through the Plan cannot be guaranteed.

Participants may instruct the Plan Administrator to sell shares under the Plan through a Batch Order, Market Order, Day Limit Order, Good-'Til-Date/Canceled Limit Order or Stop Order.

Batch Order (online, telephone, mail) – The Plan Administrator will combine each request to sell through the Plan with other Plan participant sale requests for a Batch Order. Shares are then periodically submitted in bulk to a broker for sale on the open market. Shares will be sold no later than five business days (except where deferral is necessary under state or federal regulations). Bulk sales may be executed in multiple transactions and over more than one day depending on the number of shares being sold and current trading volumes. Once entered, a Batch Order request cannot be canceled.

Market Order (online or telephone) – The participant's request to sell shares in a Market Order will be at the prevailing market price when the trade is executed. If such an order is placed during market hours, the Plan Administrator will promptly submit the shares to a broker for sale on the open market. Once entered, a Market Order request cannot be canceled. Sales requests submitted near the close of the market may be executed on the next trading day, along with other requests received after market close.

Day Limit Order (online or telephone) – The participant's request to sell shares in a Day Limit Order will be promptly submitted by the Plan Administrator to a broker. The broker will execute as a Market Order when and if the stock reaches, or exceeds the specified price on the day the order was placed (for orders placed outside of market hours, the next trading day). The order is automatically canceled if the price is not met by the end of that trading day. Depending on the number of shares being sold and current trading volumes, the order may only be partially filled and the remainder of the order canceled. Once entered, a Day Limit Order request cannot be canceled by the participant.

Good-'Til-Date/Canceled (GTD/GTC) Limit Order (online or telephone) – A GTD/GTC Limit Order request will be promptly submitted by the Plan Administrator to a broker. The broker will execute as a Market Order when and if the stock reaches, or

exceeds the specified price at any time while the order remains open (up to the date requested or 90 days for GTC). Depending on the number of shares being sold and current trading volumes, sales may be executed in multiple transactions and may be traded on more than one day. The order or any unexecuted portion will be automatically canceled if the price is not met by the end of the order period. The order may also be canceled by the applicable stock exchange or the participant.

Stop Order (online or telephone) – The Plan Administrator will promptly submit a participant's request to sell shares in a Stop Order to a broker. A sale will be executed when the stock reaches a specified price, at which time the Stop Order becomes a Market Order and the sale will be at the prevailing market price when the trade is executed. The price specified in the order must be below the current market price (generally used to limit a market loss).

Sales proceeds will be net of any fees to be paid by the participant (see **Investment Summary and Fees** for details). The Plan Administrator will deduct any fees or applicable tax withholding from the sale proceeds. Sales processed on accounts without a valid Form W-9 for U.S. citizens or Form W-8BEN for non-U.S. citizens will be subject to Federal Backup Withholding. This tax can be avoided by furnishing the appropriate and valid form prior to the sale. Forms are available online at **shareowneronline.com**.

A check for the proceeds of the sale of shares (in U.S. dollars), less applicable taxes and fees, will generally be mailed by first class mail as soon as administratively possible after settlement date. If a participant submits a request to sell all or part of the Plan shares, and the participant requests net proceeds to be automatically deposited to a checking or savings account, the participant must provide a voided blank check for a checking account or blank savings deposit slip for a savings account. If the participant is unable to provide a voided check or deposit slip, the participant's written request must have the participant's signature(s) medallion guaranteed by an eligible financial institution for direct deposit. Requests for automatic deposit of sale proceeds that do not provide the required documentation will not be processed and a check for the net proceeds will be issued.

A participant who wishes to sell shares currently held in certificate form may send them in for deposit to the Plan Administrator and then proceed with the sale. To sell shares through a broker of their choice, the participant may request the broker to transfer shares electronically from the Plan account to their brokerage account. Alternatively, a stock certificate can be requested that the participant can deliver to their

broker. See **Frequently Asked Question**, “Can I Request Shares in a Stock Certificate?” for more information about certificate requests.

Parker’s share price may fluctuate between the time the sale request is received and the time the sale is completed on the open market. The Plan Administrator shall not be liable for any claim arising out of failure to sell on a certain date or at a specific price. Neither the Plan Administrator nor any of its affiliates will provide any investment recommendations or investment advice with respect to transactions made through the Plan. This risk should be evaluated by the participant and is a risk that is borne solely by the participant.

The Insider Trading Policy provides that the participant may not trade in Parker’s common stock if in possession of material, non-public information about the company. Share sales by employees, Affiliates and Section 16 officers must be made in compliance with Parker’s Insider Trading Policy.

Stock Dividend, Split, and Distribution of Rights

It is understood that any stock dividends or stock splits distributed by Parker on common stock held by the Plan Administrator for the participant will be credited to the participant’s account. This will include all whole and fractional shares. If a participant sends notice of termination or a request to sell to the Plan Administrator between the record date and the payable date for a stock distribution, the request will not be processed until the stock distribution is credited to the participant’s account.

In the event that Parker makes available to its shareholders any rights to subscribe for additional common stock, the rights to subscribe will be based on any shares held in and outside of the Plan. Any new shares distributed by Parker resulting from the exercise of the rights will be issued directly to the participant.

Purchase Rights

In the event Parker makes available to its shareholders rights to purchase additional common stock or other securities, the Plan Administrator will sell such rights accruing in common stock for the participant. The funds will be combined with the next regular dividend or optional cash investment for reinvestment. If a participant desires to independently exercise the purchase rights, the participant should request that whole common stock be issued in book-entry DRS.

Statement of Ownership

A statement confirming each transaction will be sent to the participant promptly after the account activity occurs. The statement will show detail of the activity including, date, price, shares and any applicable fees.

These statements contain information to record the cost basis of your shares for tax reporting purposes. It is important that you keep the statements to fulfill any tax obligations. The Plan Administrator will capture and track the cost basis for covered securities as defined in the Federal tax regulations. If your statement becomes lost, a written request stating the information required may be sent to the Plan Administrator at the address contained in this brochure. A fee may be charged for retrieval of past account information (see **Investment Summary and Fees** for additional information).

Termination

A participant may terminate participation in the Plan at any time by instruction to the Plan Administrator. Requests can be made either online, by telephone or through the mail (see **Contact Information**). A participant requesting termination may elect to retain Parker shares or to sell all or a portion of the shares in the account. If a participant chooses to retain the Plan shares, they will be converted and held in book-entry DRS. Any fractional shares will be sold and a check will be sent to the participant for the proceeds. If a participant chooses to sell the Plan shares, the Plan Administrator will sell such shares at the current market value and will send the proceeds to the participant, less fees and any applicable taxes. If no election is made in the request for termination, whole Plan shares will be converted to book entry DRS. Upon termination, any uninvested contributions will be returned to the participant. Any future dividends will be paid in cash, unless the participant rejoins the Plan.

If the participant's request to terminate their participation in the Plan is received on or after a dividend record date, but before the dividend payable date, the participant's termination will be processed as soon as administratively possible, and a separate dividend check will be mailed to the participant. If a participant sends a notice of termination or a request to sell to the Plan Administrator between the record date and payable date of a stock distribution, the request will be held until the stock distribution is credited to the participant's account.

The Plan Administrator reserves the right to terminate participation in the Plan if a participant does not have at least one whole share in the Plan. Upon termination the participant may receive the cash proceeds from the sale of any fractional share, less any transaction fee and brokerage commission.

Liability

The Plan Administrator, its nominee and Parker shall have no responsibility beyond the exercise of ordinary care for any action taken or omitted pursuant to the Plan, nor shall they have any duties, responsibilities or liabilities except such as are expressly set forth herein.

In administering the Plan, neither Parker, the Plan Administrator nor any Independent Agent selected by the Plan Administrator shall be liable for any good faith act or omission to act, including, but not limited to any claim of liability (i) arising out of the failure to terminate a participant's account upon such participant's death prior to receipt of a notice in writing of such death, (ii) with respect to the prices or times at which common stock are purchased or sold, or (iii) as to the value of the common stock acquired for participants. Buying and selling common stock are subject to investment risk. The price may fall or rise during the period between a request for investment or sale, its receipt by the Plan Administrator, and the ultimate transaction in the open market. Any decision to purchase or sell securities through the Plan must be made by the participant based upon his or her own research and judgment. The price risk will be borne solely by the participant.

The Plan Administrator is acting solely as agent for Parker and owes no duties, fiduciary or otherwise, to any other person by reason of this Plan, and no implied duties, fiduciary or otherwise, shall be read into this Plan. The Plan Administrator undertakes to perform such duties and only such duties as are expressly set forth herein, to be performed by it, and no implied covenants or obligations shall be read into this Plan against the Plan Administrator or Parker.

In the absence of negligence or willful misconduct on its part, the Plan Administrator, whether acting directly or through agents or attorneys, shall not be liable for any action taken, suffered, or omitted or for any error of judgment made by it in the performance of its duties hereunder. In no event shall the Plan Administrator be liable for special, indirect or consequential loss or damage of any kind whatsoever (including but not limited to lost profit), even if the Plan Administrator has been advised of the likelihood of such loss or damage and regardless of the form of action.

The Plan Administrator shall: (i) not be required to and shall make no representations and have no responsibilities as to the validity, accuracy, value or genuineness of any signatures or endorsements, other than its own; and (ii) not be obligated to take any legal action hereunder that might, in its judgment, involve any expense or liability, unless it has been furnished with reasonable indemnity.

The Plan Administrator shall not be responsible or liable for any failure or delay in the performance of its obligations under this Plan arising out of or caused, directly or indirectly, by circumstances beyond its reasonable control, including, without limitation, acts of God; earthquakes; fires; floods; wars; civil or military disturbances; sabotage; epidemics; riots;

interruptions, loss or malfunctions of utilities; computer (hardware or software) or communications services; accidents; labor disputes; acts of civil or military authority or governmental actions; it being understood that the Plan Administrator shall use reasonable efforts which are consistent with accepted practices in the stock investment plan industry to resume performance as soon as administratively possible under the circumstances.

The Plan Administrator is authorized to choose a broker at its sole discretion to facilitate purchases and sales of Parker common stock by Plan participants. The Plan Administrator will furnish the name of the registered broker utilized in share transactions within a reasonable time upon written request from the participant.

Parker and the Plan Administrator may agree from time to time to amendments and modifications of the Plan.

The Plan Administrator may, for various reasons, require a transaction request to be submitted in writing. Contact the Plan Administrator (see **Contact Information**) to determine if a particular request, including any sales request, must be submitted in writing.

Any notice, instruction, request, election or direction that is required or permitted under the Plan shall become effective when received by the Plan Administrator. Such notice, instruction, request, election or direction shall be mailed to the address set forth in this brochure.

Except as otherwise expressly provided herein, participants may not sell, pledge, hypothecate or otherwise assign or transfer the participant's account any interest therein or any cash or shares credited to the participant's account. No attempt at any such sale, pledge, hypothecation or other assignment or transfer shall be effective. Nothing herein shall affect a shareholder's rights in respect to shares for which certificate(s) have been received.

The Plan Administrator may terminate the account at any time by notice in writing mailed to the participant.

The Terms and Conditions of the Plan and the authorization form shall be governed by the laws of the State of New York.
